Motion 1.

For creating a new choir committee.

Många medlemmar av sjösektionen på Chalmers tekniska högskola har vid flera olika tillfällen uttryckt till mig att de har stort intresse för att sjunga shanties.

Yrkande:

Med ovan som bakgrund yrkar undertecknade

att Sjösektionen bildar en ny kommitté där de som vill sjunga shanties kan samlas och göra det tillsammans

att Kommittén ska heta Poopdeck Pappy's Shanty Choir (PPSC)

Motion 2.

Creation of a Predecessor committee:

Med en ökande aktivitet på sektionen och ökat intresse för arrangemang, ökar även trycket på sektionens olika föreningar och kommittéer. Vi vill därför skapa en ny förening vars syfte är att just stötta upp övriga föreningar i deras arbete, främst NollK. Verksamheten för denna förening innefattar följande:

- Huvudsakliga uppgift: att stötta upp mottagningen för NollK, dels under planeringsstadiet samt under utförande av mottagningen i form av närvaro, kompetens och avlastning. Det blir på så sätt lättare för NollK att fokusera på att planera mottagningen och blir friare i sitt utförande. Föreningen skall på så sätt stötta alla operativa uppgifter som NollK gör.
- Gasque-plikt. Föreningen kan stötta NollK i gasque-plikten genom att avlasta vid behov.
- Stöttning för övriga föreningar: Föreningen kommer stötta andra föreningar i deras arbete, i huvudsak under mottagningen, men även under resterande verksamhetsår. Uppgifter kan vara exempelvis: grilla med byssan, puffa gasque för sjö6, puffa sittningar. Med en ökad aktivitet på sektionen där sektionens befintliga kommittéer och föreningar kommer att arrangera tillsammans under hela året, kommer behovet öka av uppstötning för att genomföra dessa arrangemang.
- Egna arrangemang, i form av sammanslutningar innan dessa arrangemang får föreningen möjlighet att öka glädjen hos de individer som skall delta i det huvudsakliga arrangemanget. Föreningen kommer att hålla i aktiviteter och liknande under denna sammanslutning.

Yrkande:

Med ovan som bakgrund yrkar undertecknade

att: sjösektionen skall skapa en ny förening vid namn O.P/S Sjösatt

Lukas Sandén

Linus Lanetoft

Proposition 1.

The dissolving of Fartyg:

Under de senaste åren har Fartyg inte haft eller följt någon form av verksamhetsplan vilket är fundamentalt för att en kommitté ska kunna vara aktiv. Tack vare detta har inte heller någon form av verksamhetsberättelse blivit inskickad till styret.

Utöver ovanstående har de inte heller följt deras stadgar gällande hur deras verksamhet ska operera. Tack vare detta har inte Fartyg fungerat optimalt och har som följd inga aktiva sittande, då inga aspade inför verksamhetens föregående inval.

Det enda arbetet Fartyg håller i detta nu är en tysklandsresa som är varje år, vilket inte är tillräckligt för att hålla verksamheten levande.

Följderna av att stänga ner fartyg blir att vi har mer plats i ett föreningsrum som kommer gå till Sjö6 då ett sexmästeri är i stort behov av ett rum för förvaring. Sen kommer alla verktyg som Fartyg innehar övertas av byssan och gör dem till ett fulländat rustmästeri.

Yrkande:

Med ovan som bakgrund yrkar undertecknade att stänga ner Fartyg alternativt "lägga den på is" för att kunna göra plats för mer föreningar samt utöka prestanda på redan aktuella föreningar.
